## Wolf Adventures

### Paws on the Path

Do you enjoy being outside? Have you ever seen a prairie? Can you follow a trail map? Find out how to pick the right gear to wear out on the trail, identify symbols on a map, and learn about Leave No Trace Behind. Discover how to bird watch, identify local wildlife and find insects under decaying logs. You're sure to discover how exciting and fun the outdoors can be.

*Meets all requirements..*

### Grow Something Elective

Visit Aullwood's edible garden to learn about how plants grow and the importance of taking care of things! Explore what we have growing, try your hand at sowing seeds in our children's garden, and taste some of our veggies. Learn how to identify plants, insects and what lives in the soil. Visit us May - September for the best possible experience.

*Meets requirements 1, 2, & 3.*

## Bear Adventures

### Fur, Feathers, and Ferns

Explore the outdoor world of mammals, birds, plants, and more! You will understand that everything has a home (and that could be very close to you!) Discuss what people do to protect nature's balance, discover ecosystems, meet water creatures, identify poisonous and venemous wildlife, and so much more!

*Meets requirements 1, 2, 3, 4, 5 & 6.*

## Webelos & Arrow of Light Adventures

### Earth Rocks Elective

Ever wonder what rocks are made of or how they got there? Discover the answers at Aullwood where you can learn about geology and earth science! Go on a rock hunt, look at geological features in the Dayton area, use a magnifying lens to study rock specimens and learn how weather affects our planet. You'll even uncover and identify real fossils!

*Meets requirements 1, 2, 3, 5 & 6b.*

### Into the Wild Elective

Are you a fan of Ohio's wild animals? You will be after this experience! Meet live animals, learn about tracks, discover creatures' camouflage and explore a wetland area! Take an in-depth look into animal communities and learn about bird flyways. You'll go home knowing more about animals than ever before!
