

# Coming to Aullwood

Aullwood is only twenty minutes from downtown Dayton and a five-minute drive from the Dayton airport.

## Directions:

From I-70, take Airport Access Rd. exit 32. After about a mile and a half, take the US-40 exit toward Englewood/Vandalia. Turn left on W. National Rd. (US-40). To reach the farm, turn left on Frederick Pike; the farm will be on your right. To reach the center, turn left on Aullwood Road; the center will be on your left.

Aullwood's Marie S. Aull

## Daisy Girl Scout Programs

Enjoy adventures at Aullwood and experience nature, fun and scouting! Discover the natural world and grow into young women who care about the Earth!

## Scouting at Aullwood!

Aullwood Audubon Center and Farm's 200 acre sanctuary is the perfect place for Daisy Scouts to learn all about the natural world.

## Trail Hiking

Experience the joy of hiking by seeing nature at its finest. Begin your journey at Aullwood's nature center, hike 6 miles of trail, and see wildlife along the way! This hiking adventure can be specific for any Petal or Journey program. \*This is a self-guided program where you guide your own troop.

## Petal Programs

### Lupe Petal

Learn about the great outdoors while being honest and fair. Work together to make a homemade snack for the birds to eat and learn about Lupe's story. Look for animal tracks, uncover water creatures in the pond and listen for bird calls. Come enjoy nature's beauty!

*Meets all requirements.*

## Sunny Petal

Become helpful and friendly at Aullwood! Hear Sunny's story and learn what naturalists do to help people understand wildlife better. Make a mural using objects from nature and discover an outdoor hobby. Meet some friendly animals and help feed them their afternoon snack. Cross over prairies, forests, marshes and streams to discover what it takes to be helpful in nature. Discover your inner explorer.

*Meets all requirements.*

## Clover Petal

Find out how to use resources wisely from Clover's story. Visit Aullwood's edible garden to learn about plants and the importance of taking care of things. Explore what is growing, try your hand at sowing seeds, and use the rain barrel for watering. Learn all about honeybees from how honey is made to where they live. Visit us May - October for the best possible experience.

*Meets all requirements.*

## Zinni Petal

Read Zinni's story and uncover the best ways to be considerate at home and in nature. From trees to animals, we'll make sure you leave knowing how to make your mark on the world. Meet Aullwood's live animals, help fill bird feeders and learn how to plant native species! Come connect with mother nature and experience her beauty.

*Meets all requirements.*

## Journey Programs

### Flower Garden

Come smell the flowers at Aullwood! Learn about our friends the honeybees and how flowers need them to survive. Get your hands dirty in some soil and find out what makes it so special. Engage in fun garden games and heighten your senses. Design a garden layout and learn about a variety of fruits and vegetables. Make your own compostable pot and grow something to take home. Discover your inner gardener!

## 3 Cheers for Animals

Do you enjoy animals? Have you ever caught a frog? Do you hear the robin singing cheerio, cheerio? Can you help take care of an animal? Learn a little bit about all creatures, big and small! From insects to mammals, find out what they eat and where they live. Encounter Aullwood's live animals, complete a bird activity and take a hike in the woods. Connect with animals in this exciting journey!

## Between Earth & Sky

Ready to get active in the outdoors? Do you like tromping in the woods? What about caring for the environment? Learn what naturalists do, practice being artistic in nature and learn how to bird watch. Find out how to be considerate while enjoying nature and its beauty. Put on your hiking shoes and get ready to jump into nature!
