Aullwood's *Summer Earth Adventures* program:

"My 6 year old daughter loved her classes at the farm!"

"My kids couldn't wait to tell me what they did every single day!"

"My kids have taken summer camp for the past 3 years. Their camps are awesome!"

Aullwood's Summer Earth Adventures

June 10th - August 9th

Summer Earth Adventure classes at Aullwood offer exciting hands-on activities that enable children to explore the world of nature and farming. Through outdoor adventures, children develop an awareness and concern for the Earth. Children might meet an owl, explore a pond, experience life on a farm or search for insects and animals in the prairie, marsh, forest or stream.
