

why should you become a member?

When you become a joint member of National Audubon Society and Friends of Aullwood, your membership gives you local and national benefits. You also play a vital role in preserving our natural environment for yourself and future generations.

How? Your membership dollars provide funds to help fulfill Aullwood's mission to promote appreciation, knowledge and stewardship of the Earth. Your support enables us to maintain our 200-acre nature sanctuary and provide environmental education programs for over 70,000 children and adults annually.

The Friends of Aullwood board is committed to providing the resources which make Aullwood one of the premiere nature centers of the National Audubon Society.

"Over the last 35 years Aullwood's Farm and Center have played a very pivotal role in shaping my life.

I spent many hours there as a child dipping candles (I can still smell the wax), watching sap being made into syrup, helping to harvest honey, painting the chicken coop and so much more. My children are now enjoying the world of Aullwood."

—Diane Hogue-Cornelius
